Dear Parent / Carer,

### **Return of Locker Keys**

As the end of the term is fast approaching we now require pupils to return their locker keys. Pupils should report to the **street after registration** on the dates listed below:

- S2 will take place on Tuesday 17<sup>th</sup> June.
- S3 on Wednesday 18<sup>th</sup> June.
- S4 on Thursday 19<sup>th</sup> June.
- S5/6 on Friday 20 June.

As per the terms and conditions signed for at the beginning of the term, lockers **must be emptied of all belongings, cleaned and left in good condition**. If these criteria are met then the £5.00 deposit will be refunded in exchange for the current key.

All lockers are fumigated on a yearly basis and if it is discovered that lockers have not been left in a good condition then parents will be contacted and pupils may not be allowed the opportunity to hire a locker in the new session.

If you wish more information regarding the above please contact Carol Tolmie (office).

Yours sincerely

**JAMES F. YUILLE**  
**Head Teacher**
